# *In Memoriam*

GEORGE EMERSON SCHINDLER, JR.

The death of George Emerson Schindler on June 3, 1953 has meant a great loss to his many friends who knew him as a quiet, soft-spoken, friendly boy. The memory of his artistic endeavors will always be perpetuated at Falls Church High School through the George E. Schindler Memorial Scholarship sponsored by the Art Club. Although he is gone, the friendship and fellowship he shared with us will always hold a sacred place in our memory.

The entire school was grieved over the death of one of our eighth graders, Marie Elizabeth Gorby, February 26, 1954. Although she is no longer with us, the memory of her friendship and kindness will always linger in the hearts of her classmates.

MARIE ELIZABETH GORBY

# *Dedication*

MRS. MABLE UNDERWOOD CHAPMAN

For her sincere devotion and guidance, for her friendliness to us all, for her ever-present smile, and for her desire to use unstintingly of her time to help others we dedicate with extreme pride, gratitude, and respect the 1954 JAGUAR to MRS. MABLE UNDERWOOD CHAPMAN.

# Foreword

Dear Friends,

I congratulate you on subscribing to this 1954 yearbook of Falls Church High School. You will have many thrills in looking through it now. But its greater value, I think, will be in the years to come.

It will become one of your lifetime treasures. Through the years, you will take it out from some safe place, turn its pages and re-live your high school career. Many of the fine people whose pictures are between these covers, you will never see again. It is worth much to have this JAGUAR to bring them back in memory.

A special word to the class of '54. Many of you have been here five years, all the way from the eighth grade. It is fitting to note here that I became principal of the school the same year that you entered it. So I have seen you come as adolescents; I know that you leave as young adults.

In your stay here you have performed many services valuable to the school. You have seen it moulded — in spirit, in physical facilities, and in its many and successful extra-curricular activities. You have given much. I am sure that you have also learned much.

You have always been a strong class; always helpful, always building. As you leave, I, on behalf of the faculty and lower classes, want you to know that we appreciate you, that we are proud of you!

Best wishes to you; success and happiness wherever you may go!

Sincerely,

A handwritten signature in cursive script, reading "W. S. Rumbough". The signature is fluid and elegant, with a long, sweeping underline that extends to the right.

*Left to right: DONNA WOOD, Treasurer; DAVE HOUSER, President; ANNE CHAPMAN, Secretary; BILL CHASE, Vice-President.*

This year the Student Council Association, under the leadership of President David Houser, has made great strides toward the improvement of the school.

The Senate has carried on and expedited the work of the SCA since the early summer.

The publication of the student handbook to familiarize new students with the school was again a great success.

This year the SCA has broadened the scope of and interest in the club program, and has successfully sponsored the Sweetheart Dance, the magazine drive, and the CARE Christmas project.

The Sweetheart Dance, first formal ever held in the new gymnasium, was a most beautiful and successful affair.

Each court member stepped through a red and white heart as she was introduced, and proceeded to the colorfully illuminated stage to the strains of "A Pretty Girl Is Like a Melody."

The charming Sweetheart of 1953, Miss Jean Waters, placed the crown on our own lovely Sweetheart, Miss Joan Dean, as Miss Marjorie Green sang "Sweetheart." Then to the rendition of "My Hero" by Carol Raines, Joan descended from her velvet-draped throne, followed by her attendants, and began the traditional court dance.

Spirits were high as the Jaguars beat Mount Vernon 19-6 in the annual Homecoming game on October 3, 1953.

During the impressive half-time ceremonies the court proceeded around the field, after which Queen Delores Nalls was presented with a small gold football by David Houser, president of the Student Council Association.

That evening the Senior Class presented the annual Homecoming dance. The Homecoming Queen of 1952, Miss Carole Tower, returned to crown Miss Nalls, and Palmer Rutherford, president of the Senior Class, presented a white football signed by the team to the attractive Homecoming Queen of 1953.

Although confronted with an inexperienced backfield, the Jaguars salvaged a bad start by finishing the football season with four straight wins.

Highlights of the year were the defeat of Mount Vernon for the first time, and the tromping of the favored Culpeper eleven 19-0 in one of the team's best exhibitions of play.

Dave Taylor, working from the quarterback spot for the first time, did a creditable job in the backfield, along with Pete Bays, Bruce Gilmore, and Ellwood Wood. On the line, our forwards were hard to move, holding our opponents to an average of only eight points per game, while our backs racked up a fourteen-point-per-game average.

The worst blow was losing to the Fairfax team in the last quarter after playing very good ball during the early portion of the game.

Helping to win the 6-4 record this season were the following players, picked by the press as outstanding men on the gridiron: J. C. Hockman, All-Northern Virginia; Buddy McCarter, second team, All-Northern Virginia; Everett Covington, second team, All-Northern Virginia; and Palmer Rutherford and Ellwood Wood, honorable mention, All-Northern Virginia.

# Jaguars on the Hardwood

Bottom row, left to right: RICHARD HUNT, BILL CHASE, PALMER RUTHERFORD.  
Top row: ROGER STRAUTMANN, GERRY BLAKE, ROLLIE BELKNAPP, TED RENTZ.

Plagued by a late start and inexperience, the 1954 Jaguars did not boast too impressive a record this year. They did triumph over Fairfax twice, however, which is some consolation.

Playing in our own gym for the first time, the Jaguars played hot and cold, barely losing three close games. With a tough schedule of all Group I competition, the Jaguar five had it uphill all the way, lacking height and a scoring threat.

Individual members of the team receiving awards were: Roger Strautmman—Second Team, Northern Virginia; Ted Rentz—Honorable Mention, Northern Virginia; Dave Taylor—Honorable Mention, Northern Virginia.

# Remember . . .

. . . The feeling of anticipation when we first came through the doors of Falls Church High School . . . the pleasant memories connected with everything we did . . . the mixed emotions we felt as the thought of leaving our friends and the school became more and more a reality? It all began on September 3, 1949.

Thetamen . . . Remember how that name was impressed upon us in our lectures with Mrs. Snodgrass? As eighth graders, we started in a new school, which in turn had a new principal, and we learned along with General Rumbough the customs and traditions formerly established. We had a "neat" time in Mr. Ledbetter's science class . . . Remember? The Eighth Grade dance was a huge success, as were the intramural sports. The death of our sergeant-at-arms, Buddy Alexander, grieved us all, and made us realize how much we would be depending on our friends all through high school. And then June . . . one more step up the ladder of learning.

Freshmen at last! Work started on the stadium, as a result of a smash magazine drive. Came the first field trip we'd ever known . . . to the Franciscan Monastery. Do you recall the headache of the fund raising barbecue sale? Many of our classmates joined the Junior Honor Society . . . a real achievement! Two teachers stand out distinctly . . . Remember Mr. Snodgrass and his Algebra I classes in 210 . . . Miss Roberts and her ever-present rubber hose? The year seemed to draw to a close with the accrediting of the high school.

And then Sophomores! Football season began in our new, new stadium. A workable honor system was adopted, under the leadership of Rashid Abdu who also inaugurated the Senate as a part of our student government. We achieved enough status to give two dances, instead of one . . . the Soc Hop and the May Dance. Didn't May Queen Bev Coker, and her two attendants, Dianna Reiff and Pat Dittman, make a pretty picture? Remember Sophomore English in Mrs. Seedlock's class? This was also the first year that Mrs. Crum was adviser of the JAGUAR JOURNAL. Perhaps the saddest event of our Sophomore year was the split with our city classmates, who transferred to George Mason. Guess that's the way the ball bounces, though.

Lowest form of upperclassmen . . . imagine us . . . Juniors! From the very beginning, the struggle to raise

money for the Prom. Remember the field trips in American History . . . And speaking of American History, how about Mr. Vliet's movies? Our first play, "Finders Creepers," had to go on without the magnificent guidance of our beloved Mrs. Hurt, who passed away. Her death certainly left a void in our school life. One-two-one-two-three . . . Wasn't Jack Zerener great as the Latin "Valentino" at the Night Club Dance? Do you recall the horror and amusement when the marble over the front entrance decided to fall? Weren't we lucky that was a holiday? A monumental occurrence . . . Our invitation to play in the Metropolitan Basketball Tournament! And finally, the winding up of a most successful Junior year, with beach parties, the Prom (finally paid for), and the beginnings of our new additions.

We made it! Illustrious Seniors!! And what a year this has been . . . Many, many firsts . . . The Boys' Chorus, the Mastersingers, the Trio, the Sextette . . . The new gym, cafeteria, library, classrooms, and the beginning of a new auditorium . . . Senior parties, which were such a howling success . . . The PAW PRINT . . . Field trip to see "Julius Caesar" . . . Senior Play . . . Election of our own Senior Superlatives . . . New Yorking students . . . Those handy privilege cards (made handier with an eraser). The innovation of the Inquiring Editor panel as a Senior activity was a novel experience to all those who participated.

Did you know that the total enrollment of our school nearly doubled during our stay . . . That better than thirty of the forty-eight states are represented in this class . . . That we also have students from Hawaii, the Philippine Islands, the Panama Canal Zone, and even Latvia . . . and that only 70 per cent of our original class is graduating from Falls Church High? And speaking of graduation, time is drawing short. Finished . . . Career books, the Prom, beach parties, and finally the big night at Lisner . . . the last for Falls Church High School.

What is left? Memories. Cherish these always, Class of '54, and keep a warm spot in your heart for Falls Church High. Don't forget it as you pass along the road of life . . . It will never forget you!

The Girls' Choral Club was organized primarily for the purpose of affording a time for the two sections of the Girls' Chorus to rehearse together once a week. This was found to be necessary when they started work on "A Ceremony of Carols" by Benjamin Britten, which was given at Christmastime.

This club has also given an opportunity for other girls to join forces with the Girls' Chorus in reading

through new music and adding to their enjoyment of singing.

Much has been gained by using this time for combined rehearsals, as is exemplified in the high caliber of work the Girls' Chorus has done this year. They have contributed greatly to the advancement of the choral music program.

The Model Club was organized two years ago by several amateur photographers, members of the Camera Club, who were interested in fashion photography. It has been very ably sponsored during the past two years by Mrs. Margarita Newman. All the members are very grateful to her for her helpful guidance.

We have had many girls who have been interested in fashion modeling and in learning the beauty secrets of the modeling profession as applied to their daily lives.

Among our activities are the many fashion shows we have held. The girls work on self-improvement as well as fashion modeling. They like to learn beauty tricks to make themselves better groomed and more attractive.

We have had bake sales to raise money to make it possible for the club to sponsor picnics, parties, and

dances for the members. Future plans include more fashion shows and emphasis on personal improvement.

Beauty consultants, modeling school representatives, and others have attended our club meetings to give lectures on good grooming and other modeling problems. The club has also taken field trips to Washington to visit modeling agencies.

Some of the members have become successful models, working in the teen sections of the department stores in this area, because of the knowledge gained from the Model Club.

The ultimate goal of the Model Club is personality and self-improvement for its members growth by developing an interest in fashion and good grooming.

The club believes that all these things will help its members to become poised young ladies able to conduct themselves well at all times.

The Future Homemakers of America, under the excellent sponsorship of Miss Margaret Spitzer and Mrs. Joan Macon, has worked toward goals set up for the year by the National F.H.A. Council.

Members have strived to attain these goals through the sale of UNESCO stamps, participation in the World Christmas Festival, and the celebration of National F.H.A. Week.

Other activities have been varied, and have included movies, discussions, demonstrations, and picnics. The annual Mother-Daughter Banquet climaxed the year.

## THE DRAMA DEPARTMENT

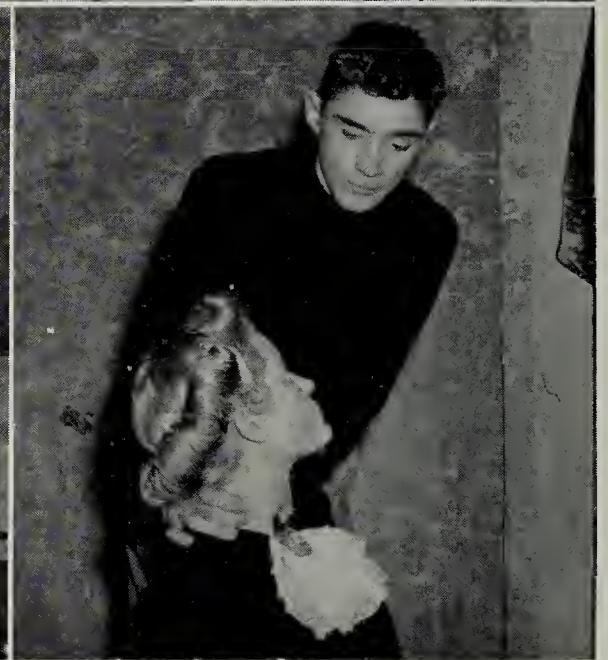

The Drama Department inaugurated this year a new program that has made it possible for the whole school to participate in plays. The season opened on October 15 with a program of one-act plays labeled “Quintette”. From this cast of twenty-five drama students emerged individuals who went on to play in the second production, “Night Must Fall.”

Another first was the presentation of “Two Plus Two”, the first major dramatic performance ever to be given on our own stage. Close on the heels of the con-

test play, “The Princess Marries the Page,” was “Lilium” with a cast and crew of seventy-five students. With the musical and “The Male Animal”, cast from Seniors, the Drama Department has seen a very busy and successful season. With our increased production schedule, we were able to install a troupe of the National Thespian Society with twelve charter members. Falls Church High School salutes the good work done by Mr. Holland and the drama students of 1953-54.

To complete the program, two of Dorothy Parker's delightful monologues were presented: "The Telephone Call", by Tillie Phillips; and "The Waltz", by Pem Laurenson.

On the ninth and tenth of April, the Drama Department's major spring production was presented. It was Ferenc Molnar's "Liliom", a play which has delighted audiences the world over for a quarter of a century, and which eventually found its way to the musical stage as "Carousel."

The production itself, supervised by Troupe 1330 of the National Thespian Society, was an ambitious one, with its large cast and stylized set.

Mr. Shandy Holland and the Drama Department are to be congratulated for this creditable performance.

This year for the first time, the eighth graders had their own Forensic contests which gave them an opportunity to exhibit their speaking and reading ability.

As a climax there was a stimulating assembly of all eighth graders at which time the winners were heard and applauded by their classmates. All eighth graders

glowed with pride when attractive bronze pins were awarded to the first place winners and red and white carnations were given to all who placed in the contest.

With the addition of the eighth grade contest, Mrs. Lenvin has aroused a greater interest in good speech and has made forensics a school-wide project.

There is no doubt in the minds of the Forensic League that Falls Church High School is articulate. This year with five schools competing, we won four first place district winners and three second places out of a possible eight categories. As we go to press, Rosalyn Davenport, our poetry reader, Ted Brown and Susan Watters, our prose readers, and Harry Friedlander and John Rhodes, affirmative debaters, are all preparing to go on to the State finals in Charlottesville where we know they will distinguish themselves.

The school is proud of the competence of our forensic team and the expert coaching of Mrs. Lenvin and Mrs. Jackson.

Late in February when the first issue of the PAW PRINT was put on sale, a new tradition was born in Falls Church High School.

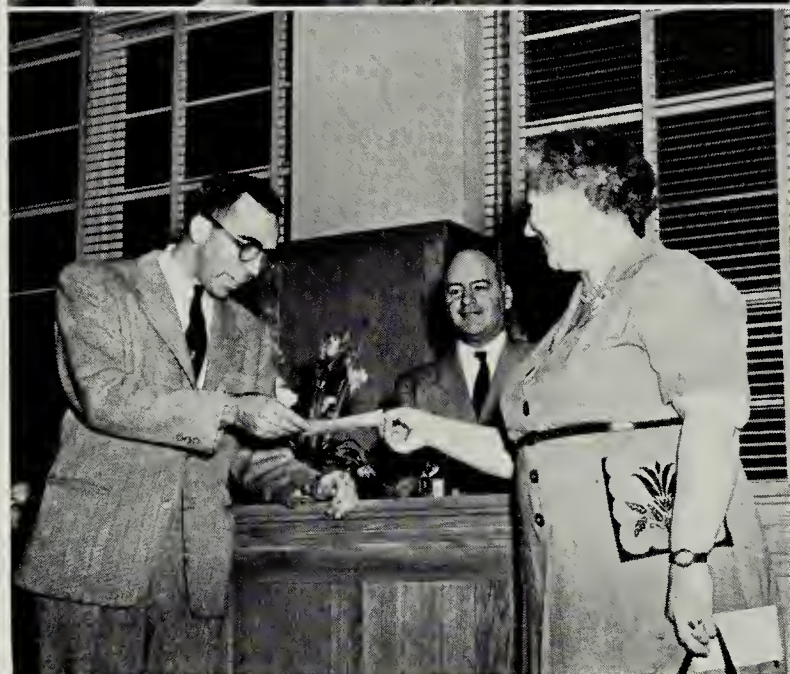

The PAW PRINT, a literary magazine, is made up of contributions by the student body in the form of

short stories, poetry, essays, plays, humorous articles, and artistic impressions.

Under the expert guidance of Miss Toone, the creative writing class has managed to produce an excellent publication.
